#### NORTH COUNTY FIRE PROTECTION DISTRICT

February 21, 2023

Dear San Diego County Special Districts,

I've had the pleasure of traveling around San Diego County over the past few weeks to meet many of you and it has been enlightening to hear about the experiences your districts are facing and how you interact with SDLAFCO. Thank you for your time and for sharing your stories!

SDLAFCO encourages orderly growth, promotes the logical formation and determination of local agency boundaries, discourages urban sprawl, and preserves open space and prime agricultural lands. From there, our Special Districts provide essential services to constituents, ratepayers, and community residents to achieve the goals of their unique agencies. Our SDLAFCO Commissioners present as one of the few outlets for representation and it's important that our Commissioners work to provide better collaboration between SDLAFCO and our Special Districts. As Directors, Trustees, and Board members, we understand that our agencies must adapt to the changing world we live in and our Special Districts must have a voice in the process that impacts them.

I am uniquely qualified and have been fortunate to be nominated by North County Fire Protection District and received support from Mission Resource Conservation District where I serve as a new Board Member. Also, serving on a Community Planning Group has provided me an education in land use experience where I serve on subcommittees advising on roads, traffic, and public facilities. All these roles require close attention to detail, commitment to the community, and dedication. That experience provides critical perspectives when voting on matters before SDLAFCO.

As a leader in the recent redistricting efforts, I attended every redistricting commission meeting which often would go on until nearly midnight and was able to activate our Community Planning Group in the process. Fallbrook was the first Planning Group to send a letter to the Redistricting Commission and the two letters I authored were well-received which resulted in bipartisan support and unanimous votes by my colleagues. I also led the community to submit comments with 397 comments mentioning Fallbrook compared to 470 comments for Oceanside, a city more than triple our size. Our efforts were successful and the input we submitted helped shape the final map of Supervisor District 5.

Local control matters. We represent the communities we live in and serve. We know what is best for our neighbors because we live in the same community as them. Serving as an alternate and attending the meetings for the North County Dispatch Joint Powers Authority has allowed for me to see how both Special Districts and cities were able to band together to provide essential services at healthy savings to our taxpayers by each district and city bringing their own independent perspectives and skills/services to the table, all while still maintaining all of our own local autonomy.

Please reach out to me if you have any questions or want to talk about anything. I always tell my constituents that they elect me to do a job, which means to get things done effectively and thoughtfully. I not only welcome your input, but I ask for it. As your Special District Representative to SDLAFCO, I would represent you and ensure that the voice of the Special Districts in San Diego County is heard.

Thank you for your time and consideration. I respectfully ask for your Board's vote to represent you and all our special districts as the Special Districts Representative on the San Diego Local Agency Formation Commission.

Respectfully,

Ross Pike Director

# COUNTYWIDE REDEVELOPMENT SUCCESSOR AGENCY OVERSIGHT BOARD

#### TIMOTHY ROBLES

I believe that government should be serving its citizens to create a better standard of living. My career experience consists of being a Fire Captain/Paramedic with the City of San Diego Fire and Rescue Department (1998-present) and additionally having been elected twice (2018-present) as a Board Director for the Lakeside Fire Protection District.

I am honored that my fellow Lakeside Fire Protection District Board members have decided to nominate me for this opportunity. This nomination comes strongly from a fellow Lakeside Board member, Mark Baker, who recently vacated his seat on the San Diego Countywide Redevelopment Successor Agency Board. Having this Former Board Member at the same agency as me creates a unique opportunity for legacy information to be shared creating a seamless transition of a new member to the Redevelopment Successor Agency Board. I look forward to continuing looking out for the interest of Special Districts here in San Diego County that are affected by the continuing disillusionment of the Redevelopment Agencies throughout the County.

During my career I have been involved in many processes requiring diligent financial oversight and have been involved in other professional Boards and Commissions as you will see listed below.

#### San Diego Fire and Rescue:

Development of a Fire Management Assistance Grant, FEMA Grant Reimbursements, San Diego Fire-Rescue Foundation (Secretary, 2006-present), Local 145 Union Board Member (2009 – 2015)

## Lakeside Fire District:

District's Budget Development Committee (2019-present), Employment contract and agreement District Representative Negotiator (2019-present), Heartland Communications Facility Authority Commissioner (2019-present), Santee-Lakeside EMS Authority JPA Commissioner, 2022

As an Oversight Board Member of the San Diego County Countywide Redevelopment Successor Agency, I will work diligently to assist and ensure that each Successor Agency remains on track for their timely disillusionment and that property tax revenues are appropriately redistributed to the originating agencies including Special Districts.

Agenda Item 5-4: Position on AB 388

**Discussion / History:** AB 388 (Connolly) is a bill sponsored by CARCD that would give statutory authority to CalFire to provide regional block grant funding to regional entities, forest collaboratives and partnerships to implement regional plans, strategies, agreements and initiatives including, but not limited to project priorities identified in regional priority plans developed through RFFC. The bill also requires CalFire to develop a roadmap to develop and deploy larger landscape level projects to contribute to the achievement of the goals outlined in the Wildfire Task Force's implementation strategy.

The bill recently passed the Assembly Natural Resources Committee on a unanimous 11-0 vote and is now headed to the Assembly Appropriations Committee. A fact sheet is included in this agenda packet.

**Financial Impact:** None confirmed, but if passed, we would have the opportunity to apply for and receive block grants to help implement our regional priority plan and other wildfire resilence projects.

**Staff Recommendation to Board:** Staff recommends that the Board takes a formal position to support this bill.

# Assemblymember Damon Connolly, 12th District

# AB 388 - CALFIRE REGIONAL GRANTS

**FACT SHEET** 

# **BACKGROUND**

Catastrophic wildfire has increased in frequency and severity over the last decade and continues to be one of California's greatest threats to loss of human life, property, and ecosystem function. Wildfires are also increasingly happening across large landscapes (tens to hundreds of thousands of acres).

The drivers of wildfire vary from region to region across the state. Recognizing this regional variability, the state has been investing in helping foster local and regional capacity building in order to develop strategies and projects to improve forest health and wildfire resilience.

The Regional Forest and Fire Capacity Program (RFFC) at the Department of Conservation provides funding to help build regional capacity to develop regional priority plans. The RFFC program has provided regional grants to:

- North Coast Resource Partnership
- Santa Monica Mountains Conservancy
- Coastal Conservancy
- Sierra Nevada Conservancy
- San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy
- Inland Empire RCD
- Greater San Diego RCD
- Inner Coast Collaborative (Napa County RCD (lead), Clear Lake Environmental Resource Center (CLERC), Colusa County RCD, Solano County RCD, and Yolo County RCD)
- Northern Sacramento Valley Coalition (RCD of Tehama County (Lead), Glenn County RCD, Shasta Valley RCD, and Western Shasta RCD)
- Inland Empire Community Foundation
- Irvine Ranch Conservancy

### **ISSUE**

While the RFFC program provides funding for coordination and regional planning, it doesn't provide funding for the implementation of the projects in the regional plans.

The Department of Forestry and Fire Protection (CalFire) operates the Forest Health Grant Program and the Wildfire Prevention Grant Program which

provides grant funding for a variety of projects to support wildfire prevention. However the funding for these programs are scaled to and directed at the project level.

Instead of directing funding at the project level, making block grants available at the regional level would enable and encourage partnerships such as those created through the RFFC process to implement landscape-scale forest restoration and wildfire resilience initiatives.

# **EXISTING LAW**

AB 9 (Wood, 2021) codified the Regional Forest and Fire Capacity Program (RFFC) at the Department of Conservation (DOC) and has been a catalyst to building up regional capacity to develop regional priority plans. Regional priority plans are coming together and ready for project funding, some of which has started as the North Coast Resource Partnership (NCRP) received a \$10 million direct award from CalFire to implement project priorities identified in the NCRP's plan.

# THIS BILL

AB 388 would provide statutory authority to CalFire to provide regional block grant funding to regional entities, forest collaboratives and partnerships to implement regional plans, strategies, agreements and initiatives including, but not limited to project priorities identified in regional priority plans developed through RFFC.

Agenda Item 5-5: Resolution 2023-xx – Addendum 1 to MOU with Upper San Luis Rey RCD

**Discussion / History:** In April 2022, the Boards of the RCDGSDC and Upper San Luis Rey RCD approved an MOU to allow RCDGSDC participate in a block grant application with CARCD to the Wildlife Conservation Board to seek funds to establish pollinator habitat in both RCDs' service areas. The grant was approved and another grant opportunity is available to expand on this work. Addendum 1 to this MOU allows for the RCDGDSC to conduct pollinator habitat creation and enhancement in USLRRCD's territory in coorporatio with USLRRCD, irrespective of specific grant funds.

**Financial Impact:** RCD uses existing funds to offer pollinator habitat services in USLRRCD's service area.

**Staff Recommendation to Board:** Staff requests that the Board reviews the draft budget and provides feedback.

ADDENDUM NO. 1 TO THE MEMORANDUM OF UNDERSTANDING BETWEEN THE RESOURCE CONSERVATION DISTRICT OF GREATER SAN DIEGO COUNTY AND THE UPPER SAN LUIS REY RESOURCE CONSERVATION DISTRICT

I. In April 2022, the RCD of Greater San Diego County (RCDGSDC) and the Upper San Luis Rey RCD (USLRRCD) entered into a Memorandum of Understanding for the purpose of enabling and authorizing RCDGSDC to contribute to a state-wide block grant proposal for a series of pollinator habitat projects, and if awarded, perform this work in Upper San Luis Rey's District.

- II. The parties now mutually desire and agree to amend the referenced MOU as follows:
  - a. To extend the term of this MOU to be inclusive of any grants and subsequent project work associated with pollinator habitat.
  - b. To notify LAFCO of this Addendum and to obtain consent from LAFCO to exercise this authority as set forth in the MOU and Addendum No. 1 thereto.

III. IN WITNESS WHEREOF, the parties have executed this addendum on the day and ye written below.

Agenda Item 5-6: Master MOU between RCDGSDC, Mission RCD, and Upper San Luis Rey RCD

**Discussion / History:** Following LAFCO's municipal service review of the County's three RCDs, Don Butz (Board President) and Ann Baldridge (Executive Director) have been participating in an ad hoc committee convened by LAFCO to clarify and improve the way the RCDs work together and to resolve boundary issues. As part of this, the committee has been working on developing a master MOU between the three RCDs that structures how the RCDs can collaborate when the need or interest arises to work on a joint project that covers the whole county. That document has been drafted by RCDGSDC legal counsel, has been reviewed by the ad hoc committee, and now legal counsel from Mission RCD and RCDGSDC are collaborating to revise the document.

Financial Impact: no immediate impact

**Staff Recommendation to Board:** Staff recommends that the Board grant authority to the Board President, Executive Director, and Legal Counsel to finalize the MOU and bring the final draft to the RCD Board for approval and ratification.

**Agenda Item 5-7:** New Education Manager and Educator positions

**Discussion / History:** We have been revisting the management structure at Wild Willow Farm and there is a gap in leadership of education programming. We would like to create an Education Manager position that would oversee the farm's education programming as well as the RCD's other education offerings, such as the Watershed Education program, annual plant giveaway, and Jim Thompson Conservation Scholarship. We would like our current Education Coordinator to transistion into this role. With the change in responsibilities, a gap would open for coordination of the Watershed Education Program. To fill this, and to address the need for more dedicated staff time to support farm field trips, we would like to create an Educator position and fill that position within the next two months. The Education Manager position description is attahced, and the Educator position description is being developed.

**Financial Impact:** Salary increase for staff member who would rise into this role and a new part-time salary in the range of \$20-\$25/hr, largely covered by grants and fee-for-service.

**Staff Recommendation to Board:** Staff recommends that the Board approve the two new positions.
